

Syllabus for
KM 202—History of Christianity I
4.0 Credit Hours
Spring 2021

I. COURSE DESCRIPTION

The course acquaints the student with the basic information concerning the important people, events, and dates in the history of the Church from the Apostolic Age to the Medieval Period.

II. COURSE GOALS

This course is designed to introduce the student to the development and spread of Christianity from its Jewish heritage to the eve of the barbarian invasions and to do the following:

- A. acquaint the student with the basic information concerning the important persons, events, and dates in the history of the Church.
- B. delineate from the student the major personalities and their contributions to this period of Church history.
- C. introduce the student to the major movements and trends during this period.
- D. expose the student to literature on key topics of Christian history during this period from various traditions.

III. COURSE OBJECTIVES

As a result of successfully completing this course, the student will be able to do the following:

- A. critically analyze and discuss the major themes, issues, problems, movements, and trends in the first five hundred years of the Christian church. This is demonstrated in the reading outlines, discussions, and examinations (see Course Procedures).
- B. synthesize the materials covered in this course in a chronological and comprehensive fashion.
- C. dialogue with the major theological schools of the early church and to benefit from the strengths of those traditions.

IV. TEXTBOOKS

A. Required textbooks: choose of the following alternatives:

- 1) Ingesman, P & Pedersen, N-A, *Kirkens historie. Bind 1*. Hans Reizel, 2012, 780s
